# Working with Knits and The Bra Workshop

## Working with Knits

Have you ever tried to work with knits and became frustrated? Have you avoided knits because they look difficult to work with? Do you think you can't sew knits without a serger? Well, Anne St Clair has over 25 years of teaching experience and she has "seen it all." Anne will dispel the myths of difficult knit fabrics and guide you with her presentation and demos to a new understanding of sewing with knits. Then Anne will share her samples with you of many knit garments that will give you inspiration to go home and sew with confidence.

1:00pm-5:00pm, Friday, March 5, 2010. This Lecture/Demo/Trunk Show is \$30.

## Bra Workshop

Have you ever just wanted a bra that fit right and was comfortable to wear? Have you spent hundreds of dollars trying to find the right bra? Then this workshop is for you! Anne St Clair has helped thousands of women sew a bra that fits. Anne and her staff of experts will conduct a workshop that will take you step by step to a finished bra. You will be custom fit and your custom pattern will be drafted by Anne the night before the workshop just for your shape and specific needs. Anne will also share a short lecture about proper fitting and why it is so important for us as women to have proper support. If you would like to attend the Lecture only you are welcome to do that. The Lecture allows for an unlimited number of participants while the workshop is limited to 20 so that Anne can give personal attention.

Bra fitting lecture (\$20): 6:30-8:30pm, Friday, March 5, 2010.

Bra Workshop: 9:00am-6:00pm (lunch is included), Saturday, March 6, 2010. If the Saturday workshop fills then we will open a second day on Sunday, March 7.

Bra workshop is \$200 for ASG members and \$220 for non members and you will make one bra and receive enough materials to make 2 more bras at home.

If you sign up for the Bra Workshop then you also need to attend the lecture which is included in the workshop fee. Workshop attendees will be fit on Friday evening before the lecture.

More information will be given to you as it gets closer.

## Artfull Bras Contest

This year Anne is challenging us to get creative and come up with some crazy and artfull bras! Simply take an old bra or purchase a cheap one at the store and go to town decorating it. You can use a theme or just have fun.

For inspiration check out this website of Artfull Bras: <http://www.quiltersofsc.org/artfullbras/artfullbras.htm>.

Anne and her staff will judge and there will be prizes so let's bring them on!

Bring them to the Bra Lecture on Friday at 6:30pm.
